It was a tough fought first half with both teams finding it difficult to break the opponent down. The only goal of the first half came in the 33rd minute when Unterhaching broke

down the right side of the region IV defense and slotted it far post to go up 1-0. The score held until the final whistle of the first half. After some halftime adjustments by the Region IV coaching staff, the team was able to dictate and establish the rhythm and run of play for the entire second half.

Great 1st half save by Carson on a set piece.

Fortunately second half sub, Freddy Rodriguez, was on top of his game and contributed three second half goals and one assist. In addition to the hat trick by Rodriguez, Neri Abinazi slotted home a goal in the 70th minute that was the game winner. After a fairly slow start to the game, region IV was able to improve as the game grew older and finished strong to earn their second result in as many games. Region IV will now have a day of rejuvenation before they take on the U-18 squad from the same club of Unterhaching.
