

## **2010 REGION IV 95 BOYS ODP CAMP**

### **DAY 3, JULY 14**

It was a very sunny warm summer day in McMinnville, OR, for our second full day of camp. After breakfast, the players took to the fields lathered in sunscreen to begin the days trainings. The coaching topic of for the morning session was defensive shape. The coaches were lively and informative and the players were energetic and responsive. Goalkeeper sessions included dealing with cutbacks and shot stopping. Players left the field for lunch and the anticipation of the naming of the first invitational game.

After lunch, 44 players were announced to play in the first invitational game of the week. The players are asked to play in the main stadium on campus in front of their peers, staff, and coaches. The players are asked to wear either their light or dark colored state team jerseys. The Light team was coached by Coach Paul Krumpke and Coach Shaun Tsakiris while the Dark team was coached by Coach Cody Worden and Coach Eric Yamamoto. Over the last three years, Coach Worden and Yamamoto have been one of the most devastating coaching duos in camp lore and today proved no different as the Dark team ran away with the game as 5-0 winners. All the goals that were scored were very good goals. Regardless of the score line, the game was competitive and entertaining. Following the invitational game was a bit of downtime before dinner and the evening games.

The evening games were sunny and the fields are lush and grassy. All of the games have proven to be high quality events and tonight was no different. Every team played until the last minute while trying to play as positively and attractively as possible. Scores are posted below. The night ended peacefully and without incident.
