

2010 REGION IV 95 BOYS ODP CAMP

Day 4-Thursday, July 15

Another warm sunny day awaited the players, coaches, and staff today on the fields of McMinnville, OR today. After breakfast it was off to the training field for training with the regional staff coaches. The topic for the day was offensive shape and finishing. As always with finishing sessions, all the players enjoyed the session. Lunch followed the sessions.

After lunch, players, coaches, and administrators went to the football stadium for the Invitational game. Once again 44 players were asked to play in the game with the teams being broken up into White or Dark colors. In an incredible display, Coaches Worden and Yamamoto added to their ever growing status as the greatest Invitational coaches ever by winning the game 2 to 0. Dark has had an incredible run of success under the tutelage of the coaches by tallying a goal ratio of 7 to 0 over the last two games. The games were energetic and intense.

After the invitational game, the games were staggered around dinner. Most teams showed no signs of fatigue or heavy legs, as every team has played with passion and fire. The games were as lively and entertaining as the first set of games. Scores below. After the games, the night ended peacefully and without controversy.
