

## 2009 REGION IV 92 BOYS ODP CAMP

### Day 1

Arriving mid afternoon to the sun drenched campus of Linfield college the final stretch of this year's regional camp was upon us as it is the turn of the 1992's to be the senior group and bring a close on ODP camp for the summer.

Once the staff was assembled and decked out in their fitted Adidas gear we were ready to get proceedings underway. However, with Washington making the most of the Sounders playing Chelsea, they were a late arrival, but their place was taken in training by Colorado who made an appearance much to the amazement of all the administration and coaching staff. Adjustments were made to the schedule while everyone went off to enjoy the delights of the gourmet food that will be available for the next five days. After training it was time to lay down the law during the administration and coaches meeting from the one and only Steve Bircsak! After that it was time to hit the hay and rest up ready for the first full day.

### Day 2

After waking up and heading to breakfast, which could defiantly be the safest meal of the day for your digestive system, it was time for the opening ceremony. The staff introduced a wealth of experience from the MLS, college, and club that would allow for the kids to get great experiences from which they could prosper and develop their game further. Bircsak again demonstrated his no nonsense attitude by highlighting the rules of the week for the players.

After morning training the players were given a special treat when coach Schmidt treated everyone to a breakdown of how the Seattle Sounders use video analysis as a tool for their players to get better understanding of strengths and weaknesses of play, and then not to mention their goals as apparently Freddie Montero like to see himself score.....typical forwards mentality!

The first round of games brought about the following results:

Colorado 2 – 0 Washington  
Oregon 2 – 2 Hawaii  
Region IV93's 1 – 1 Utah  
Region IV93's 3 – 1 United A  
Region IV93's 1 – 1 Nevada  
Alaska 4 – 1 United B

The games brought about some decent action for the first night but the highlight had to be the miss during one of the evening games that would defiantly be a contender for best miss on any own goals and gaffes video.
